The School House building dates back to 1876 when it was built as a church school and still retains many of its original architectural features. The banquet suite boasts high arched ceilings and original beams and a feature arch to a stage area making it the ideal venue choice. It has also been recently refurbished, with wooden flooring, a new bar and new toilets being fitted. In addition, the beautiful gardens of Stamford Park are located within walking distance, which are an ideal setting for photographs.

Our friendly and attentive staff will cater for your every need whilst at the San Rocco, from serving your guests with welcome drinks on arrival, to serving your wedding breakfast, cutting and wrapping your wedding cake and anything else you require to make it a day to remember.

The room itself is able to accommodate a sit down meal for up to 130 people and buffets for up to 180 guests and there is extensive car parking available. Our wedding co-ordinator is able to advise you in all aspects of wedding etiquette, table planning, entertainment, room decoration, balloons, favours and will help you plan your time with us from arrival to departure. We have sample menus available but feel free to suggest other alternatives and we gladly advise you on feasibility and prices.

We are also licensed to hold Wedding Ceremonies of up to 150 people attending.

Entertainment can bring your night alive and we can arrange anything from a solo pianist to a jazz combo as well as the after dinner disco. Should you wish to start your stag or hen night in our restaurant and we can also arrange for limousine service onto your next destination.
